Do YOU have a "rare" or "one of a kind" coin-operated Gambling, Arcade, Vending, or Music Machine ???

Any member of the C.O.C.A. Club has been given the opportunity to display his "special" machine at the 1999 Atlantic Show on March 28th and 29th. C.O.C.A. will be the official organization for this event. This show gets nationwide publicity such as the New York Times, Chicago Tribune, and even National Television. So now is our chance to put coin-ops on the map and do a great service to our club!

We hope to display approximately 150 machines. These machines will be subject to approval and participation will be on a "first come-first served" basis. Any member willing to bring 5-10 machines will be awarded **2 FREE PASSES** for early entry to the Show. Passes are valued at \$500 - \$1000 due to availability being almost non-existent. Your rare or one of a kind machine will be treated as the "treasure" that it is ..... We are assured of 24 hour security throughout the show!

To date we have a good chance of having a ONE of two known Watling Derby's on display and I will be displaying some of my collection which will include the very first Fey Liberty Bell.

Make arrangements to put some of YOUR collection on display ... Don't miss out on your chance at **2 FREE PASSES** to this Atlantic Show.... The limited supply of passes will go quickly!

Contact Tom Gustwiller, Bill Howard or myself as soon as you can .....

## ATTENTION: A Note from Frank DeMayo

The Fall Chicagoland has come and gone and we had another great meeting! C.O.C.A. is getting more solid as time goes on ... We had a great turn out and most members thought our approach to attracting more members to attend by having a food and cocktail hour to open our meeting was a great idea. I was pleasantly surprised by the quality of the food, and because it was such a success we are planning to have the same at the 1999 Spring and Fall Chicagoland Shows. The cost will be a modest \$8.00 per person with the Club picking up the balance of the cost.

For the '99 Spring Show we have tentatively lined up the "Great" Mike Gorski. He will be giving a presentation on his approach to machine restoration and some stories of his great finds. Mike has been doing this since the "Turn of the Century" so I'm sure you won't want to miss out on his many experiences! Mike is also well-known for his line of "Roov-Ski's" ... which include Madame Zita, Puss N Boots, and the newest Donkey. Check out the enclosed article, "Pin a Tale on the Donkey" by Ken Rubin. You don't want to miss this meeting ... mark Friday, April 9, 1999 on your calendar!

>> For all our Vending guys ... the one and only Bill Enes, author of Silent "Salesman" Gumballs I & II, will be our main attraction for the '99 Fall Chicagoland. So plan on attending as it won't get no better than this !!!

THANKSGIVING CAME EARLY AND ALL THE TURKEYS AND HAMS WERE THE MAIN MENU AT THE 4TH MEETING OF THE C.O.D.A. CLUB. NOT ONLY WAS THE DINNER DELICIOUS, BUT THE FRIENDSHIP AND COMMARADERY WERE AT A VERY HIGH LEVEL. FRANK DEMAYO OPENED THE MEETING WITH THE TREASURE'S REPORT. AFTER GOING THRU IT, THE GENERAL CONCENSUS WAS THAT BEGINNING IN 1999 WE WOULD RAISE OUR DUES DO TO HIGHER EXPENSES.

FRANK ALSO MADE US AWARE THAT VIDEO TAPES OF DICK BUESCHEL'S TALK TO THE C.O.D.A. GROUP WOULD BE AVAILABLE TO MEMBERS FOR \$10.00. THERE ARE A LIMITED NUMBER AVAILABLE SO ORDER VERY SOON.

THE NEXT SPEAKER WAS NORMAN SCHAT, PRESIDENT OF THE ATLANTIC CITY ANTIQUE SHOW. HE SPOKE ABOUT RELATING HIS SHOW AND INCORPORATING IT WITH OUR COIN OP HOBBY. THE SHOW WILL BE IN MARCH 1999.

KEN RUBIN WAS NEXT ON THE AGENDA. HIS OPENING REMARKS TOLD OF HIS EARLY COLLECTING DAYS IN THE 1960'S. THE PENNY WAS KING. IT ACTUALLY COULD BUY YOU SOMETHING; CANDY BARS, CHEWING GUM, AND PENNY ARCADE MACHINES. AFTER THE VIETNAM WAR, EVERYTHING SEEMED TO COST MORE. ARCADE MACHINES ROSE TO 5 AND 10 CENTS PER PLAY. INSTEAD OF GOING TO COONEY ISLAND WITH 25 CENTS AND SPENDING THE DAY, IT NOW COST PARENTS UP TO \$1.00 FOR THERE KIDS TO HAVE THE SAME AMOUNT OF FUN. THE 80'S WERE DEFINITEY CHANGING TIMES.

DURING THAT TIME, COLLECTORS DID NOT HAVE ACCESSIBILITY TO PRICE GUIDES, CATALOGS, AND BASICALLY HAD LIMITED KNOWLEDGE ABOUT ALL COIN-OP MACHINES. THAT WAS UNTIL PIONEERS LIKE DICK BUESCHEL AND KEN RUBIN LED THE WAY TO SHARING MORE KNOWLEDGE ABOUT ALL TYPES OF COIN OPERATED MACHINES IN ALL AREAS INCLUDING SLOTS, ARCADE, VENDING, TRADE STIMULATORS, AND MUSIC MACHINES. ALL AREAS OF COLLECTING SEEMED TO CATCH ON AT DIFFERENT TIMES THROUGHOUT THE LAST 30 YEARS. TODAY, ONE OF THE HOTTEST AREAS IS PENNY ARCADE COLLECTING. PEEP SHOWS, WAGERING MACHINES, SCALES, PICTURE MACHINES, STREIGHT TESTORS AND FORTUNE MACHINES HAVE ENTERTAINED PEOPLE FOR YEARS. BOTH SEXES HAVE USED THESE MACHINES BUT MEN SEEMED TO SPEND ALOT OF THERE SPARE CHANGE IN THEM. THE MOST LIKELY REASON IS MOST TAVERNS AND COUNTY FAIRS HAD THESE MACHINES AVAILABLE TO THE PUBLIC.

KEN PRESENTED A WONDERFUL TAPE OF A LARGE VARIETY OF ARCADE MACHINES FROM SEVERAL COLLECTORS COLLECTIONS. IN 45 MINUTES, KEN TOOK US THRU ARCADE PIECES FROM THE TURN OF THE CENTURY TO THE LATE 40'S. DON'T EVER LET ANYBODY TELL YOU THE PENNY HAS NO USE. PENNIES EARNED CAN PROVIDE HOURS OF FUN.

KEN NOT ONLY IS A TRUE COLLECTOR, BUT A GREAT PERSON. THANKS FOR THE WONDERFUL PRESENTATION. COPIES OF THE FILM ARE AVAILABLE THRU THE CLUB FOR \$25.00 AN ISSUE. ALL PROFITS GO BACK TO THE CLUB. ORDER YOURS THRU KEN RUBIN OR FRANK DEMAYO.

LARRY DEBAUGH WAS OUR NEXT SPEAKER. LARRY SHARED WITH US A BAD AN UNFORTUNATE SHIPPING EXPERIENCE HE HAD. NOTE "TLC" SHIPPING OUT OF ALBUQUERQUE, NEW MEXICO DID THE CONTRACTING OF THE MOVE. BEWARE..... THEY NOT ONLY DAMAGED THE MERCHANDISE, BUT ALSO LOST SOME PARTS OF THE MACHINES.. CURRENTLY LARRY'S ATTORNEYS ARE TRYING TO RESOLVE THE PROBLEM. ERICK JOHNSON, A LICENSED INSURANCE AGENT OUT OF PHOENIX AZ, TOLD US IF SHIPPING THRU A MOVING COMPANY MAKE SURE YOUR HOME OWNERS OR SPECIAL INSURANCE WILL COVER ANY LOSES IF THEY OCCUR. ALSO YOU MUST HAVE A BILL OF LAYDING. THIS IS YOUR WARNING...

THE NEXT MEETING, SPRING 1999, WILL FEATURE THE INFAMOUS VENDING GURU, BILL ENES. SEE YOU THEN..... SUBMITTED BY PAUL HINDIN

## INSURANCE COVERAGE

**From Randy Wellman:**  
Regarding a conversation I had with my insurance agent (Farmers) concerning the consequences of having your slot collection stolen or destroyed by fire, etc. He assured me that if your agent says items are covered under the policy, the company must pay that claim in case of a loss. The company can sue the agent for allowing things to be covered that shouldn't have been, but that's pretty rare. He did assure me that a slot or any other antique item is treated as just another item in your home such as a piece of furniture or appliance. Say for example it is stolen. The company must find another machine for sale of like kind to determine it's value or research slot books. This is why it's very important to keep records of when and where you bought it and how much you paid for it. Personally I take pictures of all my machines and keep them in a safe place, and I also save my receipts. If you only have a couple machines they will probably be covered by your homeowners policy. But if you have an

extensive collection, your dollar amount may not be enough if you suffer a total loss, such as your house burning to the ground. It is fairly inexpensive to add a higher dollar amount coverage to your collection. It's fairly common for your policy to cover one half of the value of your home in contents. Bottom line is to check with your agent before you have a problem, not after. Not all insurance companies out there do things the same.

**From Mike Gumula:**  
My insurance company (State Farm Fire Co.) confirmed that you only need to increase the "personal property" part of your regular "homeowner's policy" in line with what you value your collection at - rather than getting a special "antique" or "collectors" rider. It can be handled this way because you are calling "Coin-ops" a HOBBY and not a BUSINESS.

### COIN-OP TOUR GUIDES

**From Hank Menefee:**  
I am a C.O.C.A. member that suggested a "Coin-Op Tour Guide" listing places around the country that have displays of coin-op stuff. I have started a Coin-Op web site. My web site has Coin-Op History, Publications, LOCATIONS, Web Sites, Shows, Clubs, a Photo Gallery, and other information of interest to Coin-Op Collectors and enthusiasts. The LOCATIONS page is a state-by-state listing of museums, Arcades, etc. and where you can see these great machines. When I travel around the country, I always want to know where I can see Coin-Op stuff. So I think this page has the most potential of any area on my Web site.

I have only 3 LOCATIONS sites on the list so far. With help from members, this could be a very comprehensive listing of locations around the country. And if it does grow to a large, useful list, maybe then it could be published in the C.O.C.A. Newsletter. So, if any of you would like to send me information on museums, etc., I'll get them into a "Coin-Op Database" of where to see Coin-Op Machines, state by state. Check it out: [www.Coin-OpCollector.com](http://www.Coin-OpCollector.com)

**From Ken Durham:**  
I have a list of sightseeing places on my web site. Members could submit interesting places to me and I'll post them on the web. My address is: <http://GameRoomAntiques.com/Sightseeing.htm>

# Pin a Tale on the Donkey

by Ken Rubin

*The Cast (in order of appearance):*

*Ken Rubin, Mike Gorski (Dad), Madame Zita, Puss-in Boots*

We are all here in Cleveland for a momentous day.  
But some newbies among us wished they had a say  
about the latest addition to the Roov-Ski line.  
A Donkey telling fortunes, to them, not so fine.

I heard a discussion between Dad and his kids.  
I made notes of their talk and it goes forth like this:

Hello Madame Zita, hello Puss-in-Boots.  
You are old enough now to know of your roots.  
You are not really Roovers but the fruits of my dream.  
I had you with Marian; you're much younger than you  
seem.

But you are much loved and admired the same  
as original Roovers, your cousins of fame.  
And don't fret my children for I hope that you see  
that life is quite fun as a working Roov-Ski.

You're a copy as good as the brothers Roovers.  
You perform and tell fortunes just like those movers.  
Forget aches and pains that trouble your cousins.  
You have youth and the strength that lies in your dozens.

But now it is time to announce here another.  
You both will soon have a shiney new brother.  
A Donkey with sass, although he's an ass,  
I do hope you'll thank your dear mother.

Wait, said Madame Zita, this is news not predicted.  
I must admit that I'm somewhat conflicted.  
I accept that my life is being a Roov-Ski  
and along with the feline creating a two-ski.

And I love telling fortunes and so does the Cat.  
Between us both we sure know where it's at.  
But is it so good that our stable is growing?  
To be joined by a donkey who is always so knowing?

I agree! No more Roov-Skis, cried out the Cat.  
We don't need a donkey creating a spat.  
We give fortunes better than any new ass.  
How can a donkey give fortunes with class?

And I'm shocked that we're new, me and the Gypsy.  
Are you sure, Dad, that you're not again tipsy?  
But at least when you build us you give no-one a signal,  
that the Gypsy and me are not truly original.

And it's pretty darn hard to make a good living  
when all that we get is a mere penny giving.  
If you don't stop it now, Dad, and our point is irrelevant,  
you'll start planning soon how to copy an elephant!

The Gypsy and me must go paw and hand  
and take this position on your repro stand.  
But, if it must be that a Donkey is slated,  
please make sure that he's fully castrated!

Ok, ok, I hear you, said Dad.  
I don't want the Donkey to make you all mad.  
I'm surprised at your feelings of the Donkey you strike.  
I've never met a Roovers that I did not like!

Our family is growing and you must realize  
that this is a business; it should be no surprise.  
I'm doing what comes natural, said dad with a grin.  
Wherever there's business I must make a twin.

The gift of your lives is what I build with care  
for collectors I know who have money to spare.  
But please, please before you get sore  
look into the future to see what's in store.

I say do what you're great at, said old Dad all knowing.  
See what it means for collections still growing.  
Here is a penny for your own fortune telling  
and see what you see before you start yelling.

In due time Madame Zita peered down at her writings  
that foretold an influx of mass Donkey sightings.  
With a wave of her hand behind the clear glass,  
she dropped a new fortune that said:

**" Kiss My Ass "**

As for the Cat, since Dad built him so strong,  
his spring-loaded temper did not last very long.  
He looked down at his fortune that said:

**" All Will Be Good "**

Thus the Donkey was welcomed into the "hood".

Well, the "Spring" Chicagoland Show is History .... I think it was a good show! I bought a Chester Pollard 1930's Football Game very nicely restored by John Papa. The outdoor market was well attended and buying was furious!

We had a good turnout at our meeting on Friday evening ... Food was great and the presentation by Mike Gorski was excellent as we all knew it would be! We had several members who are willing to serve on committees. Herb Weinfield will head up the membership. Murray Gottlieb and Mike Monette will head the the Website Committee, and Paul Hindin will head the Officers & By-Law Committee. These members will need your ideas and help in getting things organized. Please let them know if you are willing to volunteer your time in helping out. Remember - - Each and Every one of us needs to do our part - - Sharing our ideas and helping each other is the key to our success!

I have talked to a number of members and have come to the conclusion that we should have a new President from year to year along with officers to plot our course. Gloria and I will stay on by putting out "The C.O.C.A. Newsletter" for another year or so. If any of you are interested in taking on the position of President, please let me know as we will have nominations and voting at the "Fall Meeting" in November. The new President will serve from November, 1999 to November, 2000.

I was told by Steve Gronowski that the show would be at Pheasant Run at least until Spring 2000 ... after that they are not sure.

We are already making our plans for the "Fall Chicagoland" meeting .... Our featured speaker will be the "one and only" Bill Enes, author of Silent "Salesman" Gumball I & II. So plan on attending - - It will, I am sure, be a presentation that you won't want to miss!

**WE WILL SEND OUT A UPDATE AROUND THE FIRST PART OF OCTOBER GIVING DETAILS ....**

I expect to hear my phone ringing ... I know there are members out there who could contribute to the growth and success of our Club !

**We need some new blood and ideas ... GIVE ME A CALL OR CONTACT THE HEADS OF THE VARIOUS COMMITTEES. The Club needs YOU !!**

# SPRING CHICAGOLAND MEETING

## M I N U T E S

BY

Paul  
Hindin

THE 4TH MEETING OF C.O.C.A. WELCOMED MANY OLD MEMBERS AS WELL AS A LARGE NUMBER OF NEW FACES.

THE FIRST BIT OF BUSINESS WAS TO TELL ALL MEMBERS THAT C.O.C.A. WAS WELL REPRESENTED AT THE ATLANTIC SHOW. A GREAT DISPLAY WAS EXHIBITED AND HOPEFULLY WE MADE THE PUBLIC AWARE OF ONE OF THE GREAT AND GROWING HOBBIES - COIN OP COLLECTING.

NEXT JAY FRIEDMAN SHARED WITH US THAT THE SURVEY ON THE MOST DESIREABLE MACHINES WAS GOING WELL. IF YOU HAVE ANY COMMENTS, PLEASE CONTACT JAY ASAP.

THE GUEST SPEAKER WAS THE MECHANICAL MR. ROOVER, MIKE GORSKI, (WE BELIEVE THIS WAS ACTUALLY MIKE - ALTHOUGH SOME IN THE CROWD THOUGHT IT WAS A CLONE.) MIKE OPERATES THE ROOVESKI CO. (WORLDS LARGEST ROOVER COIN MACHINE CO.) MIKE TOLD US MANY STORIES OF HIS EARLY DAYS IN COLLECTING. AT ONE TIME MIKE OWNED OVER 100 ROL-A-TOP SLOT MACHINES. HE TOLD US HE ADVERTISED THE SET OF 5 CENT, 10 CENT, AND 25 CENT MACHINES FOR \$3000. CAN YOU BELIEVE IT -- ALMOST NO TAKERS. OVER TIME, MIKE FINALLY GOT RID OF THEM. MIKE BECAME A DEALER YEARS AGO BY DEFAULT. IN THE EARLY SLOT SHOWS THE ONLY WAY YOU COULD GET IN EARLY WAS TO BUY A DEALERS TABLE PASS. MIKE REALIZED THAT HE COULD NOT AFFORD TO WAIT TILL THE PUBLIC WAS ALLOWED IN SO, SURE ENOUGH, HE PURCHASED A TABLE PASS AND IMMEDIATELY BECAME A DEALER. HE TALKED IN GREAT LENGTH ABOUT HOW THE HOBBY HAS CHANGED AND THAT TODAY MOST MACHINES ARE OWNED BY ONLY A FEW COLLECTORS.

FOR NEW AND ESPECIALLY YOUNG COLLECTORS, YOUR TIME WILL COME. HANG IN THERE AND AS PEOPLE GET RID OF THEIR COLLECTIONS MORE MACHINES WILL BE AVAILABLE.

NEXT MIKE SHOWED US A GREAT PHOTO DISPLAY OF THE MANY MACHINES HE HAS HAD OVER THE YEARS. THIS GROUP INCLUDED SLOT MACHINES, PENNY ARCADE MACHINES, COUNTER TOP GAMBLING MACHINES, AND TRADE STIMULATORS OF ALL TYPES. ONE OF MIKE'S GREATEST FINDS WAS 37 CLAWSON DICE MECHANISMS. THIS WAS THE START OF HIS CAREER IN COUNTERFITTINGS. THIS WAS 45 MINUTES OF HISTORY, 45 MINUTES OF FUN WITH THE ONE AND ONLY MIKE GORSKI.

REPRODUCTIONS ARE WRONG, BUT REPLICAS ARE OK. THANKS TO MIKE FOR SHARING IN A FUN EVENING. BOTTOMS UP .....

NEXT FALL WILL BE PRESENTED BY THE INFAMOUS SILENT SALESMAN, BILL ENES.

Keep up your good work. A C.O.C.A. member was playing golf in Naples, FL. with a man from MA. whose friend in MA. had a machine that was jammed. The C.O.C.A. member gave his golfing partner a membership list to give to the slot owner. This person contacted me - - and I was able to fix it, at no charge, in 20 minutes. And now we have a man newly interested in coin-ops.

You just never know when there's an opportunity to "spread the word"!!

ANONYMOUS LETTER RECEIVED

FLASH !

MEGA COLLECTORS EXPOSED AT SPRING C.O.C.A. MEETING.

We all thought we knew who they were,.....they surely knew who they were.....when the featured speaker started to mention the occupations of all the MEGA COLLECTORS, COLLECTIONS OF OVER 100 GREAT COIN OP MACHINES, the members at the meeting were easily able to tell who they were !

The embarrassment of such conspicuous consumption turned faces red. Some MEGA COLLECTORS it was noted, actually have several hundred coin op machines.

In view of the fact that so many of the really great machines are so unfairly concentrated in so few collections, it is rumored that the FEDERAL GOVERNMENT may get involved.

If you would like to help with the wording of a law covering the FAIR DISTRIBUTION of what is most likely a non-renewable NATIONAL TREASURE, please feel free to contact your REPRESENTATIVE OR SENATOR. Senator Fritz Hollings of South Carolina would be a likely advocate of limiting "too much consummain"

In other government quarters a special tax to be levied on the collection of these treasures, is being considered. This is to discourage those who might attempt to gather more than ~~their~~ fair share.

Perhaps the length of ownership of any machine over 70 years old, should be limited to 15 years. Thereby making it possible for more people to share the custodianship of these machines.

Signed

C.O.C.A. MEETING.....

## THAT OLD TYME PENNY ARCADE

Thanks to Norman Schaut Atlantique City joined forces with C.O.C.A. to create a special exhibition featuring a midway of great mechanical marvels .....

As you all know C.O.C.A. participated in the Atlantic City Antique Fair at the Convention Center in Atlantic City, New Jersey. We put together an impressive display of Coin Operated Machines which included the first Fey Liberty Bell, a rare Watling Derby, some "Heavy Duty" Upright Slots, and an amazing selection of counter arcade games and "rare" Vending machines.

Larry DeBaugh brought some really BIG stuff; Tom Gustwiller added some of his "GREAT" pieces, and Alex Warshaw also contributed to our display. Bill Howard and I filled a van with some of our "treasures" and Ken Rubin hand-carried his Teddy Bear Gum Vendor to the show.

We had collectors Tim LaGanke, DuWayne Bakke, Ken Rubin, Bill Howard, Tom Gustwiller, Alex Warshaw, Larry DeBaugh, Mike Galvin, myself, and others (including wives) help with visitor's questions about the machines.

The crowd was large and interest in the display amazing ... It was surprising how many people were interested in the World War II counter games like "Kill The Jap", "Poison The Rat", "Hitler Target Ball Gum Bomber", etc. These games are escalating in price ..so hang on to them!

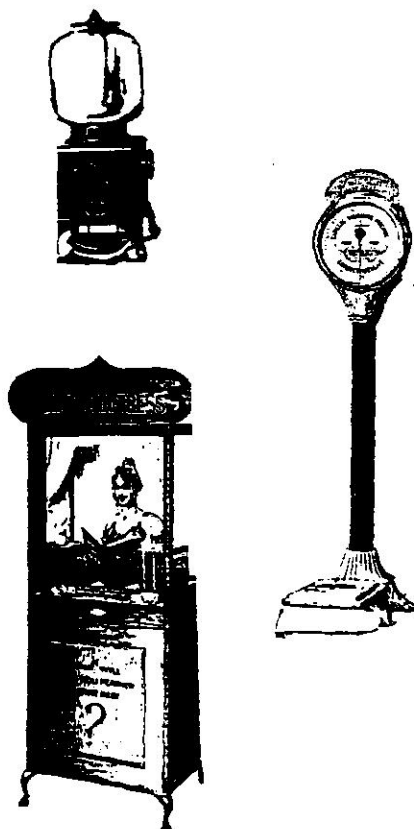

Our Club, C.O.C.A. had great publicity... We had television coverage from ABC, NBC, and CBS along with the show's public relations department which produced thousands of news releases, photos, and press kits that were sent to both trade and general media across the country and overseas. This was a great opportunity for our "Club" ... We put "Coin-Op" on the map and did a great service to our Club!

James Julia brought some scales from the late Red Meade collection. These scales were auctioned off April 16 & 17 in Mass. - - They included a George Washington scale, a Talking scale, a Golf scale, a Mr. Peanut scale, and others.

It was a lot of work, but we think it was worth it ! Some of our members had booths at the show .. They included John Johnston's nice offering of slots and music machines, Larry DeBaugh had some nice uprights (that he sold to Bob Levy in the next booth),, Mike Galvin and Bill Howard were around the corner, and Jay Lowe was present with some nice automata.

THANKS TO EVERYONE WHO PARTICIPATED .... EACH AND EVERYONE ONE OF YOU MADE THIS DISPLAY A SUCCESS !!!

Boy things are tough out there - Nothing much to report .. Machines are scarce and as a Club we need to be more involved with each other. Between all our members we have the fantastic opportunity to grow the hobby from our own ranks. I am finding that the "Great Find" is getting more and more elusive! My idea of a "Great Find" is visiting members and finding something at their home that I want. With a little persuasion I might just be able to acquire the item by offering something that I have that they just might want. It's something I think we overlook ... with the members we have every one of us is probably located just around the corner from a fellow member. Let's improve the hobby by communicating with each other.

We are now compiling a Membership List that includes e-mail, fax, etc. If you want to add any additional information to your listing, please let us know by mailing in the form that is included in this Newsletter.

I feel that the Ebay phenomenon is sending out the wrong message .... There are items being sold to collectors and non collectors for some ridiculous amounts. This is okay for dealers but for the rest of us it is not good. It gives a false value on some items that are up for bid. You are, in some cases, bidding against someone who has a lot of money and is not a true collector. With the worldwide access to Ebay our great machines are becoming very hard to obtain and are sometimes going to someone who has no intention of showing the item. We have a lot of power with the membership we have. All we have to do is communicate with each other and the benefits could be fantastic. This could be one of our objectives at the Fall Chicagoland Show ... to promote the hobby within ourselves! I know this could unite us further!!

KEEP THIS IN MIND AND COME TO THE NEXT C.O.C.A. MEETING WITH YOUR IDEAS ....

**Don't forget we have BILL ENES , author of the "Silent Salesmen" and the "Silent Salesmen Too" as our featured speaker .... Bill will enlighten us on some of his adventures on finding and collecting various vending machines and gambling devices disguised as vending machines.**

The Chicagoland Meeting will be held on **Friday, November 12, 1999** in the Turquoise A & B Room. A cash bar will be open at 5:00 p.m. and at 5:30 p.m. Turkey and Ham sandwiches along with potato salad will be served. The meeting will start at 6:30 p.m. We are going to great lengths to get members to attend by having food and drinks. In the Spring we had a good turnout, but everyone did not eat. Please try and make plans to eat at the meeting because we are locked in on prices if you eat or not and the Club has to pick up the difference in cost. The food is excellent so please try and support this idea of food at the meeting. If we do and everyone participates - in the future we could expand the food choices. We'll try and keep the expense at \$10.00 per person. Please help our Club by participating !!

**This is our "5th" meeting at Chicagoland ... Can you believe it?**

All we need is YOU to make our meeting a success ... Hope to see you there !!!

## SLOT MACHINE SCAM ALERT

by Dave Burritt

I received the following from a slot machine collector the other day. **Let's be careful out there!**

I was contacted by a person who said he was the son of a deceased Los Angeles area collector whom I knew. I did not know the son however.

He said he had six or seven machines that belonged to his father that he wanted to sell to pay an urgent medical bill. The machines he said he had for sale were: 25c Rol A Top, 25c Horsehead Bonus, 5c Treasury, 5c Castle Front, 25c FOK Baseball Front, And a 25c Roman Head. He wanted \$700 up front for the Rol A Top and he wanted the money sent that night Western Union. He said he wanted \$700 to \$1000 each for the rest. When I told him I could have someone at his door the next morning with cash, he said he needed the money by 5 AM, and the machines were in storage and he did not have access to them for several days.

A check showed he was not listed in the phone directory, the phone number he gave came back to a pay phone.

He did have my old address that was current when I knew "his father". He also contacted another collector I know that also referred him to me.

Naturally, I didn't rush to Western Union cash in hand. Too many big red flags in this deal. I figured perhaps this person had the address book of the collector and was using that to try and scam a few quick bucks. I called the "callback number many times and never made contact with anyone.

## YELLOW PAGE IDEA

from Stanley Tetlack

Why can't you arrange the "Yellow Pages" in a FOR SALE and WANTED section? You could even sub divide these sections in For Sale and Wanted for Slots, Trade Stimulators, etc.

This is a good idea and as the "Yellow Pages" increase we may incorporate this idea.

IDEAS AND SUGGESTIONS ARE ALWAYS WELCOME

## YELLOW PAGES

Do you have a item you want to sell? Are you looking for something special? Do you offer any type of restoration service? You can advertise FREE! Use the form that is in the Newsletter and send in your ad today!

All ads will continue to run "as is" unless you send in change.

# THE MOST COLLECTIBLE SLOT MACHINES IN 1999

Ranked on Total Survey Points

## S U R V E Y

Our Antique Slot Machine Survey is complete and the Watling Rol-A-Top has been voted the "Most Collectible Slot Machine for 1999". Numbers two through five were the Fey Liberty Bell, the Caille/Mills Roulettes, the Watling Derby, and the Bally Reliance/Buckley Bones dice machines respectively.

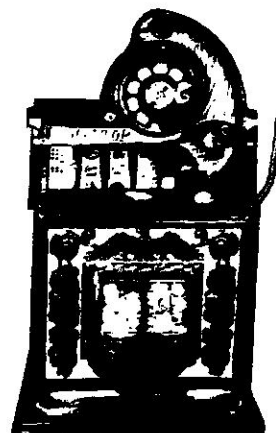

### Background ...

Earlier this year we distributed via mail, fax, e-mail, and coin-op show handouts roughly 300 surveys to collectors and hobbyists of antique slot machines. The Survey was designed to determine, from a collector's perspective, The Most Collectible Antique Slot Machines. Each participant was asked to list - in order of preference and without regard to value or machine denomination - the top 20 machines they would most want in a collection of antique slot machines.

Our hobby is clearly prospering and is benefiting from the information revolution, the boom in nostalgia, and an unusually robust economy. Many new collectors have discovered the allure and fun of antique slot machines. While several excellent books, web sites, and even CD's allow collectors (new and experienced) to identify machines, understand the history of the slot industry, and determine rarity and approximate value, no recent attempts exist to gauge what machines are hot - and which one's are not.

We want to thank everyone who supported and participated in the Survey and genuinely hope this effort both proves interesting and benefits our hobby. We can imagine local papers or magazines running an article about our relatively unknown hobby - including picture and/or a colorful story about a particularly interesting find. Publicity should only help our hobby continue to grow and prosper.

Any comments, questions, suggestions, or criticisms should be addressed to Jay Freedman, c/o Slot Survey, 820 Woodstream Ct., Lake Forest, Illinois 60045 — or (preferably) via e-mail to [Slotsurvey@yahoo.com](mailto:Slotsurvey@yahoo.com)

AUGUST, 1999

The picture above shows a popular POOR MAN'S CLUB in a thriving Illinois town.

It is the best patronized and by far the most profitable place in the neighborhood.

Its principal feature is the bar, the same as in ordinary saloons, but it is a real CLUB for the poor man because it enables him to pass an hour or an evening just as pleasantly as the rich man can do it in HIS club.

It is a place where a man can drop in any time, and find something that will amuse and interest him as long as he cares to stay.

Patrons of this club don't feel they have to take a drink every few minutes—and the proprietor doesn't care whether they do or not. There are plenty of other things to do—and they pay the house just as well.

Patrons can try their luck on various games of chance.

They can "take a whirl at the wheel."

They can get exercise by punching the bag.

They can weigh themselves.

They can test their strength and prowess in various ways.

They can see the latest pictures and hear the latest vocal and instrumental hits from the plays and operas.

They can buy gum, candy, chocolate, etc., to take home

to the kids, or for their own consumption.

These attractions get this club the steady patronage of all the sociable men in the community, bringing in many who would not ordinarily patronize a saloon, and greatly increasing the business of the bar—yet the running expense is not a cent more than when the place was an ordinary saloon.

It is a case of "Everything coming in and nothing going out," simply because the proprietor of this club has learned

## THE ART OF MAKING MONEY AUTOMATICALLY.

You can make your place an equally popular and profitable "Poor Man's Club," and every page of this book contains a suggestion for doing it.

With MILLS' AUTOMATIC MONEY MAKERS you can give your patrons all the "Club" advantages mentioned above, and can at the same time make more money than it will ever be possible for you to take in over the bar.

These machines occupy little space on your floor, require no attention, enable each patron to buy the kind of fun he wants without disturbing anybody else, and each will pay for itself many times over in the course of a year.

## NO MATTER WHAT YOUR BUSINESS

the probabilities are that you can make it enough of a "Club" to bring in a great deal more money than you are making now.

MILLS' AUTOMATIC MONEY MAKERS make big money in Cigar Stores, Billiard and Pool Rooms, Bowling Alleys, Barber Shops, Skating Rinks, Restaurants, Hotel Lobbies, etc., just as surely as they do in saloons.

WRITE ME if you are interested, giving particulars in regard to your place, and I will be glad to give you my opinion as to how you can get into the "Poor Man's Club" game the best way.

I have had seventeen years of experience in the operation as well as the manufacture of coin-operated machines, and I will be glad to give you the full benefit of this experience if you will address me personally.

## **ARE YOU READING THESE PAGES ?**

As I read thru the "Yellow Pages" I always see something I overlooked the first time . . . . . There are a lot of members needing parts and machines, etc. Why not take a little more time reading the pages and try and help these members. Even if you have the part and don't want to sell it - maybe you can let members borrow it for duplication. It is a shame to have a nice machine setting around not complete just because of a part that is needed. That little old part in "your" junk just could be the part that "someone" needs to complete his machine !

The "Yellow Pages" could be the most important part of our Newsletter. Let's use it wisely ! If you are a member and don't have an ad, please consider putting one in the next issue of our C.O.C.A. Newsletter.

YOU can help our "Yellow Pages" grow ... and it's FREE to all members ...

**SEND IN YOUR FOR SALE, WANTED, OR TRADE AD ....  
OR IF YOU DO ANYTHING IN THE SERVICE AREA , SEND THAT IN TOO !**

Thanks,  
Frank

*We have a GREAT meeting planned for this Chicagoland ... The "Great" Bill Enes, author of the "Silent Salesmen" and the "Silent Salesmen Too", is going to present some never seen before vending machines that have showed up after his last book was published. Since Bill has no plans to do another book, he thought that getting the owners of these "new found" and "never seen" machines to display them at the C.O.C.A. Meeting. He has gone to great lengths to be able to show you these rare pieces. Don't miss this presentation .. you might never be able to see these machines again as they are in private collections.*

*We have gone to lot of work to plan our meetings .. We have reserved a meeting room and have planned on food and drinks being served. As you know everything has a price .. To help cover our expenses the cost per person will be \$10.00. We are charged a flat fee for the food whether we eat it or not .. but if you don't care to eat, please donate something.*

*This is our 6th meeting at the Chiagoland Show ... it's a meeting you just don't want to miss !*

*We need YOU to make C.O.C.A. a success . The fate of the Chicagoland Show is still not certain ... we may need to have YOUR ideas on how to keep C.O.C.A. alive ... so plan now on being at this meeting ..*
